

**Electric Vehicle location:**

Approximate dimensions: L = 16m, W (wall to wall) = 2.6m

Corridor that will be used

This is a close-up of the floor surface

**Air Trajectory and Wright Stuff location (tables, chairs, etc. will be removed for the day):**

Air Trajectory will be on the stage area; approximate dimensions: L = 7m, W = 4m, H = 3m

Wright Stuff will be on the main floor area; approximate dimensions: L = 12m, W = 9m, H = 3.8m

Above: Air Trajectory

Below Wright Stuff
