Tutoring and Advising times

Any changes to tutoring hours, whether for a single day or a change for the duration of the semester, will be posted in the announcements section of College. You should always check the announcements prior to attending any tutoring and advising time.

Webex tutoring is available outside of the above listed hours. Dr. Holler is always willing to schedule appointments outside of the regular posted tutoring and advising hours. To schedule a session outside of the regular hours, you need to email Dr. Holler in College 48 hours prior to the day you wish to meet. In your email, specify what time of the day you can meet. Dr. Holler will do his best to meet your schedule. However, the day and time must be mutually compatible for both of us. Students who turn up outside the hours listed or without an appointment will be turned away / ejected from Webex.
