Tutoring and Advising times

•To see tutoring and advising times, scan the QR code for "Tutoring & Advising" and select the "Tutoring and Advising times" link. Then click on the correct semester.
o Feel free to come and see me when you need help at the location(s) listed.
o The date ranges for tutoring and advising hours are listed for each semester, along with days and times.
o There are no set tutoring hours during final exam week.
o Students must email Dr Hollier in iCollege to make arrangements for tutoring outside the hours listed. The time must be mutually agreeable to the student and Dr Hollier and will be performed through Webex for all appointments outside of the hours listed in the table above. Students who turn up outside the hours listed above without an appointment will be turned away / ejected from Webex.
•Other tutoring options are also listed on my website and the table below has some QR codes to take you directly to them.
